1 block reason	You're stuck — say why. The admin is alerted at once.

1 unblock	A block waits on YOU? This releases it and hands the task back to its owner.
1 reopen	Undo a mistaken 'done'.
done	No number needed if you have just one task — or swipe-reply on the task's message.
/add Fix pump @Ravi fri !high	New task for Ravi, due Friday, high priority. Reply Y to the confirmation — Ravi is then asked to accept it.
